

KINGS A-LEVEL AND FOUNDATION UNIVERSITY DESTINATIONS

Kings
Colleges®

UNIVERSITY DESTINATIONS

Over the years, many hundreds of Kings students have taken up places at leading universities throughout the UK. This document showcases the university destinations

and degree courses of a selection of our most recent graduates.

Hear from our alumni online: www.kingscolleges.com

University	Student name	Country	Degree subject
University of Cambridge	Yuqi Li	China	Mathematics
	Tao Li	China	Engineering
University of Oxford	Haobai Li	China	Condensed Matter Physics
	Yuchen Cai (Nick)	China	Computer Science
		"The best thing about studying at Kings is the free and friendly atmosphere. We students really made great friendships with each other and with the teachers. I am still in regular contact with some friends from Kings."	
	Shuyu Lin	China	Engineering, Economics and Management
	Zijun Liu	China	Mathematics
London School of Economics and Political Science	Yuxi Yao	China	Engineering
		"I liked the tutorial system in Kings which enabled me to discuss with my tutors and classmates. I loved the relaxed atmosphere for discussion and questions in class and the rigorous attitude towards academic study."	
	Doan Phuong Truc	Vietnam	Sociology
University of St Andrews		"When I was doing my A-levels at Kings, my teachers always encouraged me to think critically about what I was studying. They always pushed me out of my comfort zone and introduced me to a variety of different viewpoints."	
	Maxim Kichigin	Kazakhstan	Computer Science
	Rui Liang (Silvia)	China	Psychology (Science)
	Anara Malikova	Kazakhstan	Financial Economics
	Asset Omirzhanov	Kazakhstan	Economics – International Relations
		"Studying with Kings helped me to become much more mature and more confident. I've learnt a lot of skills from the wonderful teachers and I've made a lot of new friends. And it's just amazing to study at a British university now."	
Imperial College, London	Aizhan Urmagambetova	Kazakhstan	Economics and Mathematics
	Zi Wang (Zizi)	China	Economics
	Zehui Gao (Gao)	China	Mathematics with Statistics
	Shuyang Li	China	Mathematics
	Dingxin Zhang	China	Mathematics with Statistics
Yunmianmian Zhu	China	Mathematics with Statistics for Finance	

University	Student name	Country	Degree subject
Imperial College, London	Yaoyu Zhu	China	Mathematics
		"Kings helped to me write a great statement and it's one of the reasons I was able to come here to Imperial. The teachers at Kings taught me so much about mathematics and they helped me to really prepare for the university interview. I learned a lot from Kings."	
Durham University	Jinhao Jiang	China	Accounting and Finance
	Alina Kontseyeva	Kazakhstan	Law
	Wang Fung Li	Hong Kong	Marketing
	Yulin Lu	China	Accounting and Finance
	Georgy Medvedev	Russia	Classics
	He Qun Qian (Zero)	China	Accounting and Finance
	Kai Ling Wong	Hong Kong	Accounting and Finance
		"The Foundation course helped me to understand what university is like. At Kings we did assignments in every subject that I had to do at university too. Those assignments at Kings improved my written skills so much and really helped."	
	Ka Chai Yip (Jimmy)	Hong Kong	Economics and Politics
	Gaochuan Zhang	China	Marketing
University of Bath	Alsajda Bakaj	Albania	Accounting and Finance
	Fisnik Fshazi	Albania	Civil Engineering with Architectural Studies
		"Kings did a really good job with me. They wanted to make sure everything went ok. They wanted me to get to the university that I wanted and they made it happen for me."	
	Aimzhan Iztayeva	Kazakhstan	Politics with Economics
		"After a year at Kings you know how to write a proper essay, make your arguments and support them with the data, critically discuss the topic and build your ideas into a coherent academic piece of writing. All this helps me now."	
Adina Kaliyeva	Kazakhstan	Politics with Economics	
Alexandra Karpova	Russia	Business Administration	
Sin Ye Lam	Hong Kong	Business Administration	
Tuan Anh Le	Vietnam	Business Administration

	Akil Milo	Albania	Computer and Business Studies

University of York	Ilyas Beisenov	Kazakhstan	Mathematics
	Giorgi Abalaki	Georgia	Economics
	Xinyu Cui (Sidney)	China	Electronic Engineering with Business Management

	Ziyue Gong	China	Environmental Economics and Environmental Management
--	-------------------	-------	--

	Anar Gyulyumov	Russia	Philosophy, Politics and Economics
--	-----------------------	--------	------------------------------------

	Cheuk Sze Lai	China	Sociology with Social Psychology
--	----------------------	-------	----------------------------------

	Elda Lauka	Albania	Politics with International Relations
--	-------------------	---------	---------------------------------------

	Hee Chang Lee	Korea	Social Policy
--	----------------------	-------	---------------

	Johanna Loembet	France	Economics and Finance
--	------------------------	--------	-----------------------

"During my course we did lots of assignments – it's good to gain these skills. Also we had presentations so we could practise team work, and exams at the end of each term, which also helped prepare us for the exams we'll take at university."

	Joon Shik Min	Korea	English Language and Linguistics
--	----------------------	-------	----------------------------------

	Shakhizada Sakhtaganova	Kazakhstan	Electronic Engineering
--	--------------------------------	------------	------------------------

	Anuar Sultashev	Kazakhstan	Politics with Economics
--	------------------------	------------	-------------------------

	The Vu Vong	Vietnam	Management
--	--------------------	---------	------------

Lancaster University	Lingzhi Li	China	Economics and Mathematics
	Jingwen Ma	China	Economics and Mathematics

	Fung Tsz Wu	China	Law and Criminology
--	--------------------	-------	---------------------

	Danyang Zhang (Pacy)	China	Business Studies
--	-----------------------------	-------	------------------

	Jiong Zhang	China	Computer Science
--	--------------------	-------	------------------

University of Surrey	Yao Yao Chen	China	International Hospitality Management
----------------------	---------------------	-------	--------------------------------------

"I would strongly recommend Kings. Kings gave me a lot of help with my personal statement and my IELTS improved from 4.5 to 6.5. The smaller environment at Kings is the best preparation for university-level studies."

	Kwang Suk Sul	Korea	International Hospitality Management
--	----------------------	-------	--------------------------------------
